IMPORTANT NOTICE

CHANGES TO ONTARIO ACCIDENT BENEFITS

Starting July 1, 2026, Ontario is making automobile insurance more flexible. Some accident benefits that were previously included in every automobile insurance policy will become optional, giving you more choice to select coverage that fits your needs and budget.

What are Statutory Accident Benefits?

Statutory Accident Benefits (SABS) provide financial support if you are injured in an automobile accident. These benefits are available regardless of who caused the accident and can cover things like medical treatment, rehabilitation and income if you can't work because of your injuries.

What's staying the same?

Standard medical, rehabilitation and attendant care benefits will continue to be included in all automobile insurance policies. These benefits help cover essential recovery support after an accident.

You still have the option to purchase additional or increased benefits and coverages, such as supplementary medical, rehabilitation and attendant care, dependant care and indexation benefits.

What's becoming optional?

The following automobile insurance accident benefits will become optional:

- **Income replacement:** Helps replace income you or another covered person loses because of an automobile accident.
- **Non-earner:** If you or another covered person is a student or unemployed and an automobile accident keeps you from leading a normal life, this benefit can provide financial support while you recover.
- **Caregiver benefits:** Helps cover caregiving expenses if you or another covered person is injured in an automobile accident and can no longer provide care for a household member, such as a child or aging parent, who needs it.
- **Lost educational expenses:** If an automobile accident keeps you or another covered person from attending school or an education program, this benefit can help cover the costs you have lost.
- **Expenses of visitors:** Helps cover reasonable and necessary expenses of visitors, such as a sibling or parents, if you or another covered person is injured in an automobile accident.
- **Housekeeping and home maintenance:** Helps cover costs if you or another covered person is unable to perform the housekeeping and home maintenance tasks normally done before an automobile accident.
- **Damage to personal items:** Helps cover the cost to repair or replace personal items (e.g., clothing, prescription eyewear, hearing aids, etc.) damaged in an automobile accident.
- **Death benefits:** Compensates some family members if you or another covered person dies due to an accident.
- **Funeral benefits:** Helps cover some funeral costs if you or another covered person die due to an automobile accident.

Who is covered under Statutory Accident Benefits (SABS)?

Starting July 1, 2026, optional benefits under your automobile policy will only apply to:

- The named insured
- The spouse of the named insured
- Dependants of the named insured and of the named insured's spouse
- Persons specified in the policy as drivers of the automobile

This means that some people, such as pedestrians, cyclists, and certain passengers who may have been covered in the past may no longer be eligible for accident benefits.

What this means for you

Your policy will renew automatically with your current accident benefit coverage and limits, unless you contact us to make changes to them. You can review and update your coverage based on your needs.

What steps should I take?

- **Review your current coverage**
Know what benefits you already have today through your automobile insurance policy
- **Review your workplace or private benefits plan**
Avoid duplication, you may already have coverage through your workplace, private benefits plan, or life and health insurance providers.
- **Think about your needs**
Consider which coverage is right for you and contact us to discuss them.

Need help?

Don't hesitate to contact us for help reviewing your options and understanding your coverage so you can make the choice that best fits your needs.

Disclaimer

The descriptions of the statutory accident benefits in this document is a summary of the statutory accident benefits in Ontario Regulation 34/10 (the "SABS"). Do not rely on this summary alone. For full details, refer to the SABS or contact us.

Policy Number: C6TGXTW6**Your Policy Renewal**

This Certificate is proof of a contract of insurance between the Named Insured and the Insurer, subject in all respects to the Ontario Automobile Policy (OAP 1). In return for the premium charged and the statements contained in the Application, the contract provides the coverage outlined in this Certificate. You only have a particular coverage for a specific automobile if this Certificate shows a premium for it, or shows the coverage is provided at no cost. All other terms of the Policy remain the same unless stated otherwise in this Certificate. Your Insurer will provide you with a copy of the Policy if you request it. This Certificate is only valid if it is signed by an authorized representative of the Insurer. This Certificate contains important information about your automobile insurance.

Valérie Lavoie
Chief Executive Officer

For purposes of the Insurance Companies Act (Canada), this document was issued in the course of the Insurer's insurance business in Canada.

Your Policy Renewal

This is a brief explanation of the insurance outlined in this Certificate.

Liability

Provides coverage for you or other insured persons if someone else is killed or injured or their property is damaged in an automobile incident. It will pay for legitimate claims against you or other insured persons up to the limit of your coverage, and the cost of settling claims.

Accident Benefits

Provides benefits that you and: (a) other insured persons, or (b) the persons specified in the Statutory Accident Benefit Schedule, for optional benefits, are entitled to receive if injured or killed in an automobile accident. These benefits include: payment of medical, rehabilitation and attendant care expenses. Your insurance company is obligated to explain details of Accident Benefits coverage to you. For a full description of benefits, please refer to the Statutory Accident Benefits Schedule. A number of optional accident benefits are available. You have the option to purchase or decline these benefits at any time. The optional benefits your insurance company must offer are: increased medical, rehabilitation and attendant care; optional catastrophic impairment; income replacement; non-earner; caregiver; lost educational expenses; expenses of visitors; housekeeping and home maintenance; damage to personal items (clothing, glasses, hearing aids, etc.); death; funeral; dependant care; and an indexation benefit.

Uninsured Automobile

Provides coverage if you or other insured persons are injured or killed by an uninsured motorist or by a hit-and-run driver. It covers damage to your automobile and its contents caused by an identified uninsured motorist.

Direct Compensation - Property Damage

Provides coverage in Ontario, under certain conditions, for damage to your automobile and to property it is carrying, when another motorist is responsible. It is called Direct Compensation because you will collect from us, your insurance company, even though you are not at fault for the accident. There may be a deductible amount, and this amount is either paid by you toward the cost of repairs or is deducted from the loss settlement. Higher deductibles may reduce your premium. If you elect not to recover damages from your insurance company under this coverage, you may make such an election by providing written confirmation to your insurance company of this election.

Loss or Damage

Provides a selection of optional coverages for your own automobile. Payments cover direct and accidental loss of, or damage to, a Described Automobile and its equipment. There is usually a deductible amount indicated for each coverage and

this amount is either paid by you toward the cost of repairs or is deducted from the loss settlement. Higher deductibles may reduce your premium. There are four types of coverages:

Specified Perils:

Covers the Described Automobile against loss or damage caused by certain specific perils. They are: fire; theft or attempted theft; lightning; windstorm; hail or rising water; earthquake; explosion; riot or civil disturbance; falling or forced landing of aircraft or parts of aircraft; or the stranding, sinking, burning, derailment or collision of any kind of transport in or upon which the Described Automobile is being transported.

Comprehensive:

Covers a Described Automobile against loss or damage other than those covered by Collision or Upset, including perils listed under Specified Perils, falling or flying objects, missiles and vandalism.

Collision or Upset:

Covers damage when a Described Automobile is involved in a collision with another object or tips over.

All Perils:

Combines the Collision or Upset and Comprehensive coverages.

Warning: The Insurance Act provides that where (a) an Applicant for a contract, (i) gives false particulars of the Described Automobile to be insured to the prejudice of the Insurer, or (ii) knowingly misrepresents or fails to disclose in the application any fact required to be stated therein; or (b) the Insured contravenes a term of the contract or commits a fraud; or (c) the Insured wilfully makes a false statement in respect of a claim under the contract, a claim by the Insured, for other than such statutory accident benefits as are set out in the Statutory Accident Benefits Schedule, is invalid and the right of the Insured to recover indemnity is forfeited.

Warning – Offences: It is an offence under the **Insurance Act** to knowingly make a false or misleading statement or representation to an Insurer in connection with the person's entitlement to a benefit under a contract of insurance, or to wilfully fail to inform the Insurer of a material change in circumstances within 14 days, in connection with such entitlement. The offence is punishable on conviction by a maximum fine of \$250,000 for the first offence and a maximum fine of \$500,000 for any subsequent conviction.

It is an offence under the federal **Criminal Code** for anyone to knowingly make or use a false document with the intent it be acted on as genuine and the offence is punishable, on conviction, by a maximum of 10 years imprisonment.

It is an offence under the federal **Criminal Code** for anyone, by deceit, falsehood or other dishonest act, to defraud or to attempt to defraud an insurance company. The offence is punishable, on conviction by a maximum of 14 years imprisonment for cases involving an amount over \$5,000 or otherwise a maximum of 2 years imprisonment.

Optional accident benefits coverage & priority of payment

(under Parts II, IV, V, and VI of the *Statutory Accident Benefits Schedule*)

OPCF 47R

1. Purpose of this Endorsement

This endorsement is part of your policy. It describes the optional accident benefits that you have either purchased or declined.

It has been made because persons who are entitled to receive optional statutory accident benefits under this policy may, by the priority of payment rules in Section 268 of the Insurance Act, be required to claim under another policy that does not provide them with the optional statutory accident benefits that have been purchased under this policy.

This endorsement allows these persons to claim both mandatory and optional Statutory Accident Benefits ("SABS") under this policy.

2. What We Agree To

By accepting and in return for the premium charged, and to the limits as stated on the Certificate of Automobile Insurance and subject to the provisions of O. Reg. 34/10: Statutory Accident Benefits Schedule – Effective September 1, 2010, we will provide coverage for the optional accident benefits purchased.

This coverage is provided to:

- (a) The named insured;
- (b) The spouse of the named insured;
- (c) The dependants of the named insured and of the named insured's spouse; and
- (d) The persons specified in the policy as drivers of the insured automobile (the "covered persons").

We also agree not to rely on the priority of payment rules in Section 268 of the Insurance Act. This means that the persons listed above will not be prevented from making a claim and we agree that we will not deny the claim for both mandatory and optional accident benefits purchased by the operation of Section 268, if they agree that they intend to proceed with the claim for accident benefits under this policy and forego the right to maintain any claim for accident benefits under another policy.

3. Coverages Included and/or Declined

A number of optional accident benefits are available. You have the choice to purchase these optional coverages or decline them at any time.

If your policy renews on or after July 1, 2026, the benefits set out in Parts II, IV, V and VI of the Statutory Accident Benefits Schedule, as they existed before July 1, 2026, are deemed to continue as optional benefits in the amounts previously payable unless you agree with us in writing to decline these benefits or to make changes to the amount payable with respect to a benefit.

On or after July 1, 2026, you can agree with us in writing to change your contract with respect to any of the optional benefits set out in Parts II, IV, V and VI of the Statutory Accident Benefits Schedule.

Please refer to the Certificate of Automobile Insurance for a breakdown of the coverage available to the covered persons.

WARNING – By declining coverage, you agree you cannot make a claim for the declined Accident Benefits Coverage(s).
